他不是我兄弟 他是只老鼠

He's not my brother. He's a mouse.

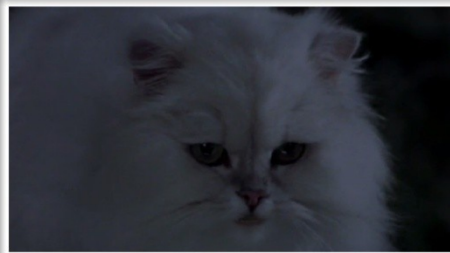

He's not my brother.

He's a mouse!

You have to look alike to be family?  
You don't have to look alike.  
You don't have to like each other. Like at Snowbell  
He hates me. And still, he's trying to save me.  
And we are Family.
